THE ARTHUR D. SHAW MEMORIAL FUND, INC.

The Arthur D. Shaw Memorial Fund, Inc. was established in 1986 to encourage and promote land surveying education through scholarships, lectures, seminars, research, and publications. In its 20-year history, the Shaw Fund has awarded more than \$45,000 in scholarships to students from major universities, surveying college programs, and community colleges statewide.

Through its partnership with the New York State Association of Professional Land Surveyors, Inc., students are offered endless opportunities to enhance their surveying curriculum through active participation in the association. NYSAPLS, Inc. is the leading professional membership association for the surveying community, boasting more than 1,000 members across New York and surrounding states.

Student memberships are offered as a means of introducing students to the field of surveying and connecting them with potential employers. Some of the benefits offered are:

- Attend conferences and seminars across the state and in local affiliated associations.
- Purchase textbooks at significantly reduced rates through our signature Bookstore.
- Receive a subscription to the Empire State Surveyor, a bi-monthly magazine featuring an array of articles on legal, GIS, management, technical, and business planning subjects.

Additionally, students will be exposed to a wealth of business contacts that could open new doors of employment following their collegiate career. Job postings are available through NYSAPLS, Inc.'s website at www.nysapls.net. And when students are ready to sit for their licensing exam, NYSAPLS, Inc. will provide training seminars and exam preparation booklets to help them succeed toward becoming a licensed land surveyor.

Membership in NYSAPLS, Inc. is not just for licensed land surveyors. For just \$10 per year, get a head start on your classmates and commit to fostering your surveying career today.
